

Bass Valley Early Learning Hub

Issue 4 – May 2017

Project News

New name

To better reflect the range of services that will be offered, the building will now be known as the Bass Valley Early Learning Hub.

Need a building?

The existing JLM Kindergarten building will be offered for sale via a public tender process. Further information will be posted on Council's web page, and in local papers, over the next couple of months.

BVPS teachers 'walk through'

Bass Valley Primary School teachers recently had a sneak peek at the building.

"The spaces are very impressive and, even at this early stage of construction, the building is very welcoming. The outdoor areas under the verandah will be great for the kids during adverse weather conditions," said Leanne Edwards, BVPS Principal.

Community planting day

Have you noticed how untidy the land behind the new car park is? Let's get together and tidy it up! Council will be arranging a community working bee to tidy the area up and plant it out. Date to be advised.

How to enrol your child

Expressions of interest for 2018 enrolments for childcare and kindergarten should be directed to Bass Valley Primary School, tel: (03) 5678 0208.

An environmental building

When planning and fund raising for the children's centre, the Bass Valley Children's Centre Committee was keen to include sustainable features. Consequently, solar panels have just been installed which is beneficial to the environment and will reduce running costs.

What's Coming up?

May 2017

- Complete plastering walls and commence internal painting

June 2017

- install internal joinery
- connect utility services – electricity, telephone, sewer etc.

July 2017

- floor coverings
- BUILDING HANDOVER!!

August 2017

- Childcare licensing process commences

Workplace Safety

Temporary fencing and appropriate site control measures will stay in place throughout construction. For your own safety and that of others, access to the building site is restricted. Our contractors and staff will notify anyone who may be impacted during construction works.

We appreciate that these works may present an inconvenience and we ask for your patience during these times. Our contractors will make every effort to minimise disruptions to motorists and community members.

Peeking inside

Where can I get more information?

For information or assistance please contact:

- Bass Coast Shire Council's Manager Community Strengthening
 - Antoinette Mitchell
- Bass Coast Shire Council's Contract Superintendent
 - Ravi Raveendran
- Tel: 1300 BCOAST (226 278) or (03) 5671 2211 (all hours)
- Email: basscoast@basscoast.vic.gov.au
- Website: www.basscoast.vic.gov.au

To report any site matters please refer to the Contractor's contact details on the sign that is displayed on site.
